To all Shareholders of Hikma Pharmaceuticals  
PLC

Dear Shareholder

6 April 2011

This document contains the Notice of the 2011 Annual General Meeting of Hikma Pharmaceuticals PLC. You are warmly invited to attend the meeting and, even if you are unable to attend, to vote on the resolutions by proxy by completing and returning the enclosed Form of Proxy.

This document contains explanatory notes for certain of the resolutions to be put to the Annual General Meeting. All resolutions will be voted on by way of a poll.

Your Board unanimously recommends that you vote in favour of each of the resolutions to be put to the meeting. As Said Darwazah, Mazen Darwazah, Ali Al-Husry and I are directly interested in the subject matter of Resolutions 11 and 12, which refer to the Waiver of Rule 9 of the Takeover Code in respect of the authority of the Company to purchase its own shares and the grant of 180,000 LTIP Awards and up to 10,000 MIP Awards, we have not participated in the recommendation to vote in favour of these resolutions and such recommendation, which is unanimous, has been given by the Independent Directors. Resolutions 11 and 12, if passed, could result in the aggregate interests of the Concert Party (as defined below) in the Company increasing and you are referred to the explanatory notes on pages 4 to 11 for further information in this regard.

## **EXPLANATORY NOTES**

### ***Dividend***

**Resolution 2:** The Board has recommended a final dividend for the year ended 31 December 2010 of US\$0.075 (7.5 cents) per Ordinary Share (approximately 4.7 pence per Ordinary Share). When the interim dividend is included, this creates a total dividend for the year of US\$0.13 (13 cents) per Ordinary Share (2009: 11 cents). This will be payable on 26 May 2011 to all Shareholders on the register on 15 April 2011.

Please remember that all dividends may be paid in pounds sterling, US dollars or, for those Shareholders resident in Jordan, Jordanian dinar. As stated in June 2009, we will no longer be sending currency election forms to Shareholders with this document. The most recent currency election you have made is now valid for all future dividends. In the absence of an election form, the default position is to receive your dividend in Jordanian Dinar if you are located in Jordan and US dollars if you are located elsewhere in the world. If you wish to change the currency your dividend is paid in or if you have purchased Ordinary Shares since the 2010 interim dividend then please write to the Registrar, at the address provided at the end of the Notice, informing them of your currency selection.

All CREST holders will be able to select the currency of their choice via a dividend election input message in accordance with the procedure set out in the CREST Reference Manual. A Euroclear Corporate Actions bulletin will be issued in due course.

### ***Reappointment of Mr Said Darwazah***

**Resolution 3:** Mr Said Darwazah was last elected at the annual general meeting of the Company in 2008. The Articles of Association of the Company require that each director be put forward for re-election by the Shareholders of the Company every three years. Consequently, Mr Darwazah puts himself forward for re-appointment by the Shareholders at the AGM. Details of the experience of Mr Darwazah are set out on page 42 of the annual report and accounts for the year ended 31 December 2010, which accompanies this document.

## ***Remuneration Committee Report***

**Resolution 6:** This resolution is to approve the Remuneration Committee Report for the financial year ended 31 December 2010. You can find the report on pages 55 to 68 of the annual report and accounts for the year ended 31 December 2010, which accompanies this document.

## ***Authority to Allot Ordinary Shares***

**Resolution 7:** Your Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by Shareholders. The authority granted at the annual general meeting held in 2010 is due to expire at this year's Annual General Meeting. Accordingly, Resolution 7 will be proposed as an ordinary resolution to grant a new authority to allot share capital. Paragraph (a) of this resolution would give the Directors the authority to allot Ordinary Shares up to an aggregate nominal amount equal to £6,452,900 (representing 64,529,000 Ordinary Shares). This amount represents approximately one-third of the issued ordinary share capital of the Company as at 4 April 2011, the latest practicable date prior to publication of the Notice.

In line with guidance issued by the Association of British Insurers, paragraph (b) of this resolution would give the Directors authority to allot Ordinary Shares in connection with a rights issue in favour of Shareholders up to an aggregate nominal amount equal to £12,905,799 (representing 129,057,990 Ordinary Shares), as reduced by the nominal amount of any Ordinary Shares previously issued under paragraph (a) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital of the Company as at 4 April 2011, the latest practicable date prior to publication of the Notice.

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the earlier of 30 June 2012 (the last date by which the Company must hold an annual general meeting in 2012) or the conclusion of the annual general meeting of the Company held in 2012.

Since the annual general meeting held in 2010, your Directors have used the section 551 authority then granted solely in respect of the issue of Ordinary Shares pursuant to option exercises under the Hikma Pharmaceuticals PLC 2004 Stock Option Plan, issuing a total of 414,700 Ordinary Shares. In the year ahead, other than under paragraph (a) in respect of the Company's obligations to satisfy rights granted to employees under its various share-based incentive arrangements, the Directors have no present intention of issuing any of the share capital of the Company.

As at the date of the Notice no Ordinary Shares are held by the Company in treasury.

## ***Authority to disapply pre-emption rights***

**Resolution 8:** Your Directors also require authority from Shareholders to allot Ordinary Shares or grant rights over Ordinary Shares or sell treasury shares where they propose to do so for cash and otherwise than to existing Shareholders pro rata to their holdings. The authority granted at the annual general meeting in 2010 is due to expire at this year's Annual General Meeting. Resolution 8 will be proposed as a special resolution, which requires a 75 per cent. majority of the votes to be cast in favour. It would give the Directors the authority to allot Ordinary Shares (or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing Shareholders in proportion to their existing shareholdings.

This authority is similar to the one passed in 2010, being limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those Ordinary Shares or as the Board otherwise considers necessary, or otherwise up to an aggregate nominal amount of £967,935 (representing 9,679,350 Ordinary Shares). This aggregate nominal amount represents approximately 5 per cent. of the issued ordinary share capital of the Company as at 4 April 2011, the latest practicable date prior to publication of this Notice.

Allotments made in connection with the authorisation in paragraph (b) of Resolution 8 would be limited to allotments by way of rights issues only (subject to the right of the Board to impose

necessary or appropriate limitations to deal with, for example, fractional entitlements and regulatory matters).

The authority will expire at the earlier of 30 June 2012 (the last date by which the Company must hold an annual general meeting in 2012) or the conclusion of the annual general meeting of the Company held in 2012.

Your Directors do not have any present intention of exercising this authority, but consider it desirable to have the flexibility to use it should the opportunity arise.

### ***Authority to purchase Ordinary Shares***

**Resolution 9:** This resolution will give the Company authority to purchase its own Ordinary Shares in the market up to a limit of up to an aggregate nominal amount equal to £1,935,870 (representing 19,358,700 Ordinary Shares), being approximately ten per cent. of its issued ordinary share capital. The maximum and minimum prices are stated in the resolution. Your Directors believe that it is advantageous for the Company to have the flexibility to make market purchases of its own Ordinary Shares. Your Directors will exercise this authority only if they are satisfied that it would be in the interests of Shareholders generally. In the event that Ordinary Shares are purchased, they would either be cancelled (and the number of Ordinary Shares in issue would be reduced accordingly) or, subject to the Companies (Acquisitions of Own Shares) (Treasury Shares) Regulations 2003 (the "**Regulations**") be retained as treasury shares. The Regulations enable companies to hold shares repurchased as treasury shares with a view to possible re-sale at a future date rather than having to cancel them. The Company will consider holding repurchased Ordinary Shares pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base. Any issues of treasury shares for the purposes of the Company's employee share schemes will be made within the ten per cent. anti-dilution limit set by the Association of British Insurers. As at 4 April 2011, the total number of options and awards over Ordinary Shares that were outstanding under all of the Company's share incentive plans was 6,795,204, which if exercised would represent 3.51 per cent. of the Company's issued share capital at that date. If the Company were to purchase its own Ordinary Shares to the fullest possible extent of its authority from Shareholders (existing and being sought), this number of outstanding options could potentially represent 3.90 per cent. of the issued share capital of the Company.

If granted, the authority will expire at the earlier of 30 June 2012 (the last date by which the Company must hold an annual general meeting in 2012) or the conclusion of the annual general meeting of the Company held in 2012.

### ***Notice of General Meetings***

**Resolution 10:** This resolution is required to reflect the provisions of the Companies (Shareholders' Rights) Regulations 2009 (the "**Regulations**") which increased the notice period for general meetings of the Company to 21 days unless the Shareholders agree to a shorter notice period. In 2010, the Shareholders voted in favour of allowing the Company to call general meetings (other than an AGM) on 14 clear days' notice. The Company would like to preserve this ability. In order to be able to do so, the Shareholders must approve the calling of meetings on 14 days' notice. Resolution 10 seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The Company will also need to meet the requirements for electronic voting under the Regulations before it can call a general meeting on 14 days' notice. The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting.

### ***Waiver of Rule 9 of Takeover Code - Purchase of own Ordinary Shares***

**Resolution 11:** The purpose of this resolution is to seek the approval of Independent Shareholders to a waiver, which the Panel has agreed to give (subject to such approval, to be sought by way of a

vote taken by poll), of the obligation that might otherwise arise under Rule 9 of the Takeover Code for the Concert Party to make a mandatory offer for the Ordinary Shares not already owned by it as a result of repurchase of Ordinary Shares by the Company. Under Resolution 9 the Company is seeking the authority to make market purchases of up to 19,358,700 Ordinary Shares. Your Directors believe that it is advantageous for the Company to have the flexibility to make market purchases of its own Ordinary Shares, and if that resolution is passed will only exercise this authority if they are satisfied that it would be in the interests of the Shareholders generally. The Concert Party currently holds 33.30 per cent. of the Company's issued share capital. Were the Company to exercise the buy-back authority to the exclusion of the Concert Party such that the Concert Party maintained its current shareholding, that would result in the Concert Party's percentage interest in the Company's issued share capital increasing to 37.21 per cent. (assuming that all Existing LTIP Awards vest in full, all Existing MIP Awards vest in full and all Options held by members of the Concert Party are exercised and the resulting Ordinary Shares are retained, but not including the Share Awards proposed to be granted following the approval of Resolution 12). Any such percentage increase in its interest would trigger an obligation on the part of the Concert Party to make an offer for the entire share capital of the Company.

Please see the further disclosures on the Takeover Code and the Concert Party set out on pages 6 to 11 of this document.

### ***Waiver of Rule 9 of Takeover Code – LTIP Awards and MIP Awards***

**Resolution 12:** The purpose of this resolution is to seek the approval of Independent Shareholders to a waiver, which the Panel has agreed to give (subject to such approval, to be sought by way of a vote taken by poll), of the obligation that might otherwise arise under Rule 9 of the Takeover Code for the Concert Party to make a mandatory offer for the Ordinary Shares not already owned by it as a result of the grant (and subsequent vesting) of 180,000 LTIP Awards and up to 10,000 MIP Awards to the Executive Directors and certain other key managers.

Should Shareholders approve the waiver, the Company will grant these LTIP Awards and MIP Awards on 13 May 2011. By consenting to the waiver, Shareholders are also consenting to the award of the LTIP Awards and the MIP Awards on that date, irrespective of whether the Company is in a prohibited period at that time for the purposes of the Model Code. The Company has received confirmation from FSA that it may make the awards in this manner.

#### *Takeover Code*

The Takeover Code is issued and administered by the Panel and applies to the Company because it is a public company which has its registered office in the United Kingdom and its securities admitted to the Official List. The Takeover Code and the Panel operate principally to ensure fair and equal treatment of shareholders in relation to takeovers, and also provide an orderly framework within which takeovers are conducted.

Under Rule 9 of the Takeover Code, any person who acquires an interest (as defined in the Takeover Code) in shares which, taken together with shares in which he is already interested and in which persons acting in concert with him are interested, carry 30 per cent. or more of the voting rights of a company which is subject to the Takeover Code, is normally required to make a general offer to all the remaining shareholders to acquire their shares.

Similarly, when any person, together with persons acting in concert with him, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of such a company but does not hold shares carrying more than 50 per cent. of such voting rights, a general offer will normally be required if any further interests in shares are acquired by any such person.

An offer under Rule 9 must be made in cash and at the highest price paid by the person required to make the offer, or any person acting in concert with him, for any interest in shares of the company during the 12 months prior to the announcement of the offer.

### *The Concert Party*

Darhold holds 57,183,028 Ordinary Shares which, as at 4 April 2011 (the latest practicable date prior to the posting of this document), represented approximately 29.54 per cent. of the issued share capital of the Company. In their capacity as Directors of the Company and as directors and shareholders of Darhold, Samih Darwazah, Said Darwazah, Mazen Darwazah and Ali Al-Husry are accordingly deemed to be acting in concert with Darhold in relation to the Company. Additionally, each of the persons named in the table on page 8, and the footnotes to the table, is deemed to be acting in concert with the others as they are either shareholders of Darhold or are considered to be part of the Concert Party for other reasons referred to below.

As at 4 April 2011, the latest practicable date prior to the posting of this document, each principal member of the Concert Party owned that number of Ordinary Shares and that number of Options and Share Awards shown in the table below and the total number of Ordinary Shares held by the Concert Party was 64,463,907, representing 33.30 per cent of the Company's issued share capital.

In 2006, the Panel agreed, with the approval of Independent Shareholders, to waive the requirement for the Concert Party to make a mandatory offer to Independent Shareholders as would otherwise have arisen under Rule 9 of the Takeover Code as a result of the exercise of previously awarded options. At the date of the notice of the annual general meeting in 2006, 664,000 of these options remained unexercised. On full exercise of the remaining Options held by members of the Concert Party, the Concert Party would have held 66,761,758 Ordinary Shares, which at that time represented 35.09 per cent. of the Company's share capital enlarged by the issue of Ordinary Shares pursuant to the exercise of such Options.

In 2007, the Panel agreed, with the approval of Independent Shareholders, to waive the requirement for the Concert Party to make a mandatory offer to Independent Shareholders as would otherwise have arisen under Rule 9 of the Takeover Code as a result of the grant and subsequent vesting of up to 437,141 LTIP Awards. Following such approval, the 2007/8 LTIP Awards and Option grants of 12,500 Ordinary Shares were made by the Company to members of the Concert Party during 2007 and 2008. Assuming that all 2007/8 LTIP Awards vest in full (and the resulting Ordinary Shares are retained), and that all remaining Options held by members of the Concert Party at the date of the notice of annual general meeting in 2007 were to be fully exercised and the resulting Ordinary Shares retained by the Concert Party members, the Concert Party would have held, in aggregate, interests over 67,073,258 Ordinary Shares, which at that time represented 35.19 per cent. of the issued share capital of the Company (as enlarged by the exercise of Options then held by the Concert Party and the issue of Ordinary Shares to members of the Concert Party pursuant to the 2007/8 LTIP Awards, but assuming no other issue of Ordinary Shares).

In 2009, the Panel agreed, with the approval of Independent Shareholders, to waive the requirement for the Concert Party to make a mandatory offer to Independent Shareholders as would otherwise have arisen under Rule 9 of the Takeover Code as a result of the grant and subsequent vesting of up to 200,000 LTIP Awards and 3,000 MIP Awards. Following such approval, the 2009 LTIP Awards and the 2009 MIP Awards were made by the Company to members of the Concert Party. Assuming that all 2007/8 LTIP Awards and 2009 LTIP Awards vest in full (and the resulting Ordinary Shares are retained), that all 2009 MIP Awards vest in full (and the resulting Ordinary Shares are retained), and that all remaining Options held by members of the Concert Party at the date of the notice of annual general meeting in 2009 were to be fully exercised and the resulting Ordinary Shares retained by the Concert Party members, the Concert Party would have held, in aggregate, interests over 67,276,258 Ordinary Shares, which at that time represented 35.26 per cent. of the issued share capital of the Company (as enlarged by the exercise of Options then held by the Concert Party and the issue of Ordinary Shares to members of the Concert Party pursuant to the 2007/8 LTIP Awards, 2009 LTIP Awards and 2009 MIP Awards, but assuming no other issue of Ordinary Shares).

In 2010, the Panel agreed, with the approval of Independent Shareholders, to waive the requirement for the Concert Party to make a mandatory offer to Independent Shareholders as would otherwise have arisen under Rule 9 of the Takeover Code as a result of the grant and subsequent

vesting of up to 175,000 LTIP Awards and 4,500 MIP Awards. Following such approval, the 2010 LTIP Awards and the 2010 MIP Awards were made by the Company to members of the Concert Party. Assuming that all Existing LTIP Awards vest in full (and the resulting Ordinary Shares are retained), that all Existing MIP Awards vest in full (and the resulting Ordinary Shares are retained), and that all remaining Options held by members of the Concert Party at the date of the notice of annual general meeting in 2010 were to be fully exercised and the resulting Ordinary Shares retained by the Concert Party members, the Concert Party would have held, in aggregate, interests over 66,663,912 Ordinary Shares, which at that time represented 34.46 per cent of the issued share capital of the Company (as enlarged by the exercise of Options then held by the Concert Party and the issue of Ordinary Shares to members of the Concert Party pursuant to the Existing LTIP Awards and Existing MIP Awards, but assuming no other issue of Ordinary Shares).

Darhold is a vehicle used by the Concert Party to hold Ordinary Shares in the Company and therefore all shareholders of Darhold are deemed to comprise part of the Concert Party, whether or not they directly own Ordinary Shares in the Company. In addition, the Concert Party includes close family relations of shareholders in Darhold who themselves own Ordinary Shares directly in the Company. Mariana Melhem and Riham Khair are wives of shareholders of Darhold. Zahold Limited is a company owned by family members related to Samih Darwazah. Tala, Haya and Faisal Al-Husry are children of "Mohammed Ali" Khaldoun Al-Husry. Save for members which are companies, all the members of the Concert party are therefore either shareholders in Darhold or close relatives of such shareholders.

The table on page 8 identifies all of the directors of Darhold; it also includes all the members of the Concert Party, including directors of Darhold, shareholders of Darhold and other individuals deemed to comprise part of the Concert Party. Substantially all of Darhold's assets consist of its shareholding in the Company.

### *Proposed LTIP Awards*

The Company believes that LTIP Awards enable it to provide a competitive incentive and retention tool which is also cost effective in respect of both shareholder dilution and income statement expense. The Remuneration Committee intends to make annual LTIP Awards to Executive Directors. Each LTIP Award has performance conditions attached which demonstrates the Remuneration Committee's desire to correlate incentive arrangements with the achievement of substantial performance. In 2011 the Remuneration Committee will, subject to the approval of the Shareholders, grant Said Darwazah an LTIP Award over 108,000 Ordinary Shares and Mazen Darwazah an LTIP Award over 72,000 Ordinary Shares (both members of the Concert Party). Should Shareholders approve the waiver, the Company will grant these awards on 13 May 2011. By consenting to the waiver, Shareholders are also consenting to the award of the LTIP Awards on that date, irrespective of whether the Company is in a prohibited period at that time for the purposes of the Model Code.

### *Proposed MIP Awards*

The Company also believes in the importance of providing long term incentives to the key management below senior management who are the future of the business. MIP Awards enable the Company to provide an effective retention tool for these executives and the Company intends to make annual MIP Awards across this group of individuals. Participants will be notified of a maximum monetary entitlement, being a percentage of salary, the value of which will be awarded in the form of nil cost options over Ordinary Shares, based on the executive's performance against individual and Group KPIs. The MIP Awards vest two years after the date of award (being approximately three years after the commencement of the financial year to which the awards relate), subject to the participant remaining in employment with the Group during this period. Once MIP Awards have been made, the continued employment requirement is the only condition for vesting.

The Company wishes to grant MIP Awards to Hana Darwazah and May Darwazah, each a member of the Concert Party and is proposing MIP Awards that could vest over a maximum individual grant of 5,000 Ordinary Shares, to each of the above.

### *Effects of the Share Awards*

The grant of LTIP Awards and MIP Awards in respect of which the Waiver (subject to Independent Shareholder approval) has been given will not increase the interests of the Concert Party to above 33.57 per cent. of the voting rights of the Company (assuming that all grants of Share Awards in 2011 and Existing LTIP Awards vest in full, that all grants of Existing MIP Awards vest in full and that all Options currently held by members of the Concert Party were to be fully exercised and the resulting Ordinary Shares were in each case retained by the Concert Party members).

Each of Said Darwazah, Mazen Darwazah and Hana Darwazah and May Darwazah are members of the Concert Party and consequently the receipt by them of Ordinary Shares on vesting of Share Awards could give rise to an obligation pursuant to Rule 9 of the Takeover Code to make a mandatory offer to acquire the Ordinary Shares not owned by the Concert Party. The Independent Directors consider that it would undermine the purpose for which the Share Awards are granted to require such an offer to be made and accordingly are seeking a waiver of that obligation from Independent Shareholders for LTIP Awards to be granted to Said Darwazah and Mazen Darwazah in respect of 180,000 Ordinary Shares in aggregate and for MIP Awards to be granted to Hana Darwazah and May Darwazah in respect of up to 10,000 Ordinary Shares in aggregate.

Assuming that Share Awards are made in respect of the full number of Ordinary Shares referred to above, that all such grants vest in full, that all grants of Existing LTIP Awards vest in full, that all grants of Existing MIP Awards vest in full and that all Options currently held by members of the Concert Party were to be fully exercised and the resulting Ordinary Shares were in each case retained by the Concert Party members, the Concert Party would hold, in aggregate, interests over 65,238,707 Ordinary Shares, representing 33.57 per cent. of the issued share capital of the Company (as enlarged by the Existing LTIP Awards, Existing MIP Awards and Option Exercises by

members of the Concert Party and the issue of Ordinary Shares pursuant to the Share Awards referred to above, but assuming no other issue of Ordinary Shares) versus 33.50 per cent. of the issued share capital of the Company on a similar basis, prior to the grant of such Share Awards.

#### *Waiver of the obligation to make a general offer under Rule 9 of the Takeover Code*

The vesting of the LTIP Awards and the MIP Awards made in 2011 (together with the Existing LTIP Awards, Existing MIP Awards and Option Exercises) would increase the aggregate shareholding of the Concert Party in the Company to 33.57 per cent. and thereby trigger an obligation on the part of the Concert Party, under Rule 9 of the Takeover Code, to make a general offer to all Shareholders to purchase their Ordinary Shares.

The Panel has agreed, subject to Resolution 12 being passed on a poll by Independent Shareholders at the AGM, to waive the requirement for the Concert Party to make a general offer to the Independent Shareholders as would otherwise arise under Rule 9 of the Takeover Code as a result of the grant and/or vesting of an aggregate of 180,000 LTIP Awards to Said Darwazah and Mazen Darwazah an aggregate of 10,000 MIP Awards to each of Hana Darwazah and May Darwazah. The members of the Concert Party may attend the AGM but will not be entitled to vote on this Whitewash Resolution.

Pursuant to its obligations under the Takeover Code, the Company will announce the grant of Share Awards made from time to time together with their effect on the overall deemed control of the Concert Party.

Following any vesting of Ordinary Shares pursuant to the Existing LTIP Awards, the Existing MIP Awards Option Exercises and Share Awards referred to above, the Concert Party will in aggregate hold more than 30 per cent. but less than 50 per cent. of the voting share capital of the Company and, for so long as the members of the Concert Party continue to be treated as acting in concert for the purposes of the Takeover Code any further increase by the Concert Party of its percentage interest in the Company would be subject to the provisions of Rule 9 of the Takeover Code. Were the members of the Concert Party to cease to be treated as acting in concert, there would not currently be a prohibition on Darhold increasing its percentage interest in the Company (subject to the provisions of Rule 9 of the Takeover Code) as it does not hold over 30 per cent. of the voting share capital of the Company on its own. In such circumstances, Darhold could therefore increase its percentage interest in the Company up to a total of 29.99 per cent. in aggregate (i.e. by a further 0.45 per cent. of the issued share capital of the Company) without triggering an obligation under Rule 9 of the Takeover Code to make a takeover offer in respect of the Company.

#### *Interaction of Share Awards and purchase of own Ordinary Shares*

The maximum vesting of the Share Awards (together with the Existing LTIP Awards, Existing MIP Awards and Option Exercises) could increase the aggregate shareholding of the Concert Party in the Company by a total of 774,800 Ordinary Shares, with the effect of increasing the holding of the Concert Party to 33.57 per cent.

If the maximum repurchase of Ordinary Shares authorised under Resolution 9 was made and the Concert Party did not sell any Ordinary Shares in the repurchase, this would increase the aggregate shareholding of the Concert Party in the Company to 37.21 per cent. (assuming that all Existing LTIP Awards and Existing MIP Awards vest in full and all Options held by members of the Concert Party are exercised and the resulting Ordinary Shares are retained but the Share Awards proposed in Resolution 12 were not granted).

If the maximum repurchase of Ordinary Shares authorised was carried out by the Company and also the maximum number of Share Awards proposed in Resolution 12 vested, together with the Existing LTIP Awards, the Existing MIP Awards and Option Exercises these changes would increase the aggregate shareholding of the Concert Party in the Company to 37.28 per cent. (assuming that the Concert Party did not sell any Ordinary Shares in the repurchase of Ordinary Shares and assuming no other issue of Ordinary Shares).

### *Intentions of the members of the Concert Party*

The members of the Concert Party have confirmed that it would be their intention that, following any increase in their proportionate shareholding as a result of the grant of the Share Awards referred to above, the business of the Company would be continued in substantially the same manner as at present, with no major changes, no likely redeployment of the Company's fixed assets and no likely repercussions on employment and the location of the Company's business. The members of the Concert Party are also not intending to change the existing employment rights, including pension rights, of any of the employees of the Company.

### **FURTHER INFORMATION**

Your attention is drawn to the remainder of this document which contains further information relating to the Company and the members of the Concert Party. Financial information on the Company is set out in the Company's annual report and accounts for the year ended 31 December 2010, with which this document has been posted.

### **RECOMMENDATION**

The Independent Directors, who have been so advised by Centerview Partners, consider that the Waiver, the granting of the Share Awards and the Company having the flexibility to effect the Buyback are fair and reasonable and in the best interests of Independent Shareholders and the Company as a whole. In providing its advice, Centerview Partners has taken into account the Independent Directors' commercial assessments.

Accordingly, the Independent Directors unanimously recommend Independent Shareholders to vote in favour of the Whitewash Resolutions at the AGM, as they intend to do in respect of their entire holdings which amount to 51,266 Ordinary Shares, representing approximately 0.026 per cent. of the Company's issued share capital.

Your Directors as a whole believe that the other proposals above are in the best interests of the Company and its shareholders and unanimously recommend that you vote in favour of Resolutions 1 to 10 as they intend to do in respect of their entire holdings which amount to 4,401,430 Ordinary Shares, representing approximately 2.274 per cent. of the Company's issued share capital.

Yours faithfully

Samih Darwazah  
*Chairman*

## **NOTES:**

### **Proxies**

1. A member entitled to attend and vote may appoint a proxy or proxies who need not be a member of the Company to attend (and on a poll to vote) instead of him or her. A Form of Proxy for the Annual General Meeting is enclosed and should be completed and returned as soon as possible. To be valid, it must reach the Company's registrars, Capita Registrars, Proxy Department, at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU no later than 48 hours before the meeting. Therefore, please deposit your form before 11.00 a.m. on 10 May 2011. A reply-paid envelope has been provided for this purpose for use within the United Kingdom. Alternatively, responses can be faxed to Capita Registrars on +44 208 639 2180. Completion of a Form of Proxy will not preclude a member from attending and voting in person at the meeting should he or she so wish.

### **Electronic proxies**

2. Alternatively, you may register your proxy appointment and instructions on-line by visiting the website of Capita Registrars, by logging onto [www.capitashareportal.com](http://www.capitashareportal.com), where full instructions are given. In order to register your vote on-line you will need to enter your Investor Code which appears on the bottom right-hand side of your share certificate.

### **CREST electronic proxies**

3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via [www.euroclear.com/CREST](http://www.euroclear.com/CREST)). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11.00 a.m. on 10 May 2011. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointing a proxy will not prevent a member from attending in person and voting at the meeting should he or she so wish.

#### **Documents on display**

4. Copies of service agreements under which Directors of the Company are employed together with copies of the terms and conditions of appointment of non-executive Directors are available for inspection at the Company's registered office during normal business hours from the date of this Notice until the date of the Annual General Meeting (Saturdays, Sundays and Public holidays excepted) and will be available for inspection at the place of the Annual General Meeting for at least 15 minutes prior to and during the meeting.

#### **Right to attend and vote**

5. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 (SI 2001 No 3755), the Company specifies that in order to have the right to attend and vote at the meeting (and also for the purpose of calculating how many votes a person entitled to attend and vote may cast), a person must be entered on the register of holders of the Ordinary Shares of the Company by no later than 6.00 p.m. on 10 May 2011 or, if the meeting is adjourned, a person must be entered on the register of holders of the Ordinary Shares of the Company by not later than 6.00 p.m. on the day two days prior to the adjourned meeting. Changes to entries on the register after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

#### **Corporate Members**

6. In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that (i) if a corporate shareholder has appointed the Chairman of the meeting as its corporate representative with instructions to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the meeting then on a poll those corporate representatives will give voting directions to the Chairman and the Chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting but the corporate shareholder has not appointed the Chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate shareholders are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives – <http://www.icsa.org.uk> – for further details of this procedure. The guidance includes a sample form of representation letter if the Chairman is being appointed as described in (i) above.
7. Shareholders should note that it is possible that, pursuant to requests made by members of the Company under section 527 of the Companies Act 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company appointed for financial years beginning on or after 6 April 2008 ceasing to hold office since the previous meeting at which annual accounts and reports were laid (in each case) that the members propose to raise at the Annual General Meeting. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time

when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

### **Nominated Persons**

8. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "**Nominated Person**") may have a right, under an agreement between him/her and the member by whom he/she was nominated, to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right, under such an agreement, to give instructions to the member as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

The statement of the rights of the members in relation to the appointment of proxies set out in paragraphs 1 to 6 above, does not apply to Nominated Persons. Those rights can only be exercised by shareholders of the Company.

9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same Ordinary Shares.
10. Any member attending the Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

### **Communication**

11. You may not use any electronic address (within the meaning of section 333(4) of the Companies Act 2006) provided in this Notice of Meeting (or in any related documents including the annual report and accounts and the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company appointed for the financial year beginning on 1 January 2010 ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006, (in each case) that the members propose to raise at the relevant Annual General Meeting. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website.
